

Advertise with the Brushy Mountain Apple Festival!

www.AppleFestival.net www.BrushyMountainRuritans.org

The Annual Brushy Mountain Apple Festival is right around the corner and now is the time to place your ad in the Souvenir Program and Guide. Over 20,000 issues of this magazine will be printed and circulated in the Journal Patriot on the Wednesday before the festival and available to the 100,000 visitors on the day of the Apple Festival, always the 1st Saturday in October. This is a great opportunity to promote your business and also show your support for one of the best community activities in Wilkes County.

Please complete the section below indicating your ad size, method of payment, ad copy information and mail it with any changes or with your new ad. Also, please note that the option to place your ad on www.AppleFestival.net is also available to you.

If your company is interested in helping sponsor a music stage or other Festival activity, we will publicize your support in the Apple Festival Program and with a banner or sign by the stage. We will again have music at the Brushy Mountain Apple Festival Park on the Friday evening before the festival. Thank you for your support of the Brushy Mountain Apple Festival. If you have any questions, or would like more information about sponsoring an activity, please call me at (336) 667-9450.

Sincerely,
Paul Barelski
